

FISCAL NOTE

HB 1217 - SB 1553

March 26, 2007

SUMMARY OF BILL: Requires a separate license for each county for which an ambulance service maintains a base of operations.

ESTIMATED FISCAL IMPACT:

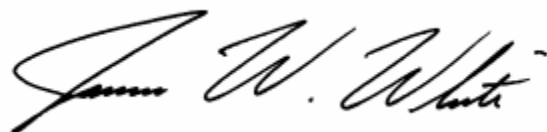

**Increase State Revenues - \$24,000 FY07-08
\$3,000 FY08-09 and Subsequent Years**
Increase State Expenditures – Not Significant

Assumptions:

- The Board of Emergency Medical Services will be responsible for issuing the licenses. Any increase in expenditures associated with rule changes and the printing of additional licenses will not be significant and can be absorbed within the existing resources of the Board.
- It is estimated that there will be 12 initial licenses issued in FY07-08 at \$2,000 per license which will result in a one-time increase in revenues of \$24,000.
- Starting in FY08-09, the licenses will be renewed at a cost of \$250 per license which will result in an increase in recurring revenues of \$3,000.

CERTIFICATION:

This is to duly certify that the information contained herein is true and correct to the best of my knowledge.
